SHORT DESCRIPTION

OX-ON PP Coverall Basic is an affordable protective coverall for you, who are doing smaller painting or renovation jobs in your home.

Here you get a dust-repelling protective coverall of non-woven polypropylene.

The coverall feels light to wear and has a zipper in the front so that you can easily take it on and off. The zipper is covered by a flap to provide optimal protection. Furthermore, Coverall Basic is provided with a hood, which protects your head and hair. A sewn-in elastic at wrists and ankles prevents dust and dirt from entering.

With OX-ON PP Coverall Basic you get an affordable lightweight coverall that protects you against dust and dirt when you work with various do-it-yourself projects.
