SHORT DESCRIPTION

OX-ON Air Back Coverall Supreme is a durable and comfortable protective coverall for you, who want quality equipment when you work with for example maintenance, spray paint, insulation, pharmaceuticals or certain chemicals.

OX-ON Air Back Coverall Supreme is type 5 and 6-approved.

You get a unique breathability in this coverall, where the back is made in SMS material. OX-ON Air Back Coverall Supreme gives you optimum protection and has many details such as two-way zipper with flap for protection of the zipper and elastic at wrists and ankles, and in waist and hood.
