SHORT DESCRIPTION
<p>OX-ON V53 Harness Supreme gives you a two-point full body harness in absolute top class with back supporting belt for positioning.</p> <p>With the strong and easy-to-use quick-connect buckles you get extraordinarily good adjustment options so that you can ensure a perfect fit of your harness.</p> <p>The OX-ON V53 harness is suitable for a wide range of tasks and applications. You can, among other things, use the harness for scaffolding, roofing and mast work. The work positioning belt combined with a work positioning lanyard allows you to use both hands for your work.</p> <p>The harness is tested to 150 kg.</p>
