SHORT DESCRIPTION

OX-ON Protect Coverall Comfort is an extremely durable and waterproof protective coverall with taped seams, intended for those who work with asbestos, pesticides, chemicals, etc.

OX-ON Protect Coverall Comfort is type 4, 5 and 6 certified.

The coverall is made of antistatic, non-woven polypropylene, and it is surface-treated with a microporous film to protect you from both airborne particles and liquid chemicals.

OX-ON Protect Coverall Comfort has a zipper with a storm flap, hood and elastic at the waist, at the wrists and ankles, as well as straps for the thumbs to ensure that the sleeves stay in place.
