SHORT DESCRIPTION

OX-ON Safety Goggle w/Face Shield Supreme is a safety-approved goggle with an integrated face shield. It has a wide field of vision and is anti-fog coated. The goggle is detachable from the face shield for wearing on its own, and the shield itself can be flipped up. It is made of scratch and impact resistant polycarbonate. It features an elastic neck adjuster and is suitable for wearing over prescription eyewear. Features an ultralight and innovative design.
