

Product Main Number 1000005111

Bedpan liner, ABENA, white, with absorbent pad

- ✓ Single packed for easy withdrawal
- ✓ Hygienic handling
- ✓ Quick absorption
- ✓ Odour control

Product Description

The Abri-Bag Absorbent Bedpan Liner is a disposable bag with a superabsorbent pad. The bag is designed to fit around a standard bedpan. The product quickly absorbs body fluids in a clean and hygienic way. The superabsorber helps to quickly contain up to 630 ml of fluids by turning it into gel. The bags are easily sealed with the built-in plastic strap and can be disposed of in a regular waste container. The bags are single packed allowing one hand withdrawal and hygienic handling.

Specifications

Regulation (EU) 2017/745 is a regulation of the European Union on the clinical investigation and sale of medical devices for human use. It repeals Directive 93/42/EEC, which concerns medical devices, and Directive 90/385/EEC, which concerns active implantable medical devices, on 26 May 2021.

The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products and medical equipment.

The product has a quick absorption.

The product does not contain latex.

ABENA's incontinence products are designed and engineered to ensure minimal odor arises from the product. Odor control is a critical factor in ensuring discreteness for the user.
