Nature

Baby nappies, open nappies, eco-labelled, Bambo Nature, 0, 1-3 kg

- ✓ Incredibly soft on new baby's skin
- ✓ Convenient wetness indicator makes it easy to see when a change is needed
- ✓ Designed to protect the umbilical cord area
- ✓ Dermatologically tested to protect your child's delicate skin

Product Description

Give your newborn a happy and comfortable start in life by keeping their skin healthy and protected. Bambo Nature size 0 nappies are incredibly soft and are designed to keep your baby's sensitive skin dry. The nappy offers extra protection around the umbilical cord area and a convenient wetness indicator that changes colour and makes it easy to see when a change is needed. Our Bambo Nature size 0 nappies are dermatologically tested and certified according to the Nordic Swan Ecolabel, EU Ecolabel, FSC™ (Forest Stewardship Council) and STANDARD 100 by OEKO-TEX. Bambo Nature – Because you care.

The Swan label, also known as the Nordic Swan Ecolabel, is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material production, use, documentation and safety.

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. FSC™ Mix means the product consists of a blend of FSC certified wood and recycled materials. For more information, go to www.fsc.org.

The EU Ecolabel, also known as the EU Flower, is the official environmental label in Europe. Products with the EU Ecolabel meet stringent environmental requirements with regard to raw material production, use, documentation and safety.

Products with the Vegan symbol do not contain animal substances.

OEKO-TEX, also known as "Confidence in Textiles", is a health and environmental label used throughout the world. The certificate ensures that textiles do not contain substances that are harmful to health or the environment.

Your guarantee that our products have been tested for ingredients which can potentially cause skin irritation. Tests conducted by an independent third-party laboratory.

Flexible side panels with added elastics for easy application. A snug and secure fit supporting all body shapes.

Wetness indicator is a liquid-sensitive strip that changes colour or fades out indicating when it is time to change the product.
