- ✓ Special water-repellent cream
- ✓ Allows the skin to breathe
- ✓ Is absorbed quickly

### Product Description

Bambo Nature Soothing Cream is a special water-repellent cream with nourishing properties for delicate and sensitive baby skin, as well as for dry skin. Containing 33% lipids, the cream is particularly suitable for skin that is exposed to moisture, for example around the mouth and in the diaper area. The cream forms a barrier that acts as a protective film on the skin, while also allowing the skin to breathe. The cream is absorbed quickly and is non-greasy. Can be used in combination with Bambo Nature wet wipes. The product is dermatologically tested and eco-labelled.
