Single-use mop, white, microfibre, Easy, 40 cm, single use

Product Description

High-performance mop with good reach and a practical, disposable use, which helps to prevent cross-contamination in critical, sanitary areas. The mop can be used wet or dry and is particularly well-suited in areas requiring a high degree of sanitisation and where washing with traditional mops is not an option. The mop is easy to work with and its unique quality and composition provide just the right amount of friction.
