

Product Main Number 1000024421

Blood sampling sheet, ABENA, 2 layers, 37x50cm

- ✓ Absorbent material
- ✓ Liquid-proof backing
- ✓ Convenient, simple and hygienic solution
- ✓ Available in different sizes

Product Description

ABENA's blood sampling sheets, as the name indicates, are primarily designed to protect furniture during non-sterile procedures such as blood sampling, wound treatment and dressing changes. The sheet has an absorbent surface, which, combined with the waterproof backing, ensures that liquids of various kinds do not penetrate the material. The single-use sheet can be disposed of with regular combustible waste.

Specifications

Base name	Blood sampling sheet
Brand	ABENA
Secondary color	Light blue
Single or multiple use	Single use
Material	PE, paper
Length/depth	37 cm
Width	50 cm
Layer quantity	2 layers
Absorption Rothwell	21 ml
Certificates	CE. MD. UKCA.
CE Class (Medical Devices)	Class I
Directives, regulations and acts	MDR (EU) 2017/745
Shelf Life	5 years

Regulation (EU) 2017/745 is a regulation of the European Union on the clinical investigation and sale of medical devices for human use. It repeals Directive 93/42/EEC, which concerns medical devices, and Directive 90/385/EEC, which concerns active implantable medical devices, on 26 May 2021.

The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products and medical equipment.

The UKCA mark guarantees that a product is safe to use and complies with all safety precautions in line with product standards and legislation of the UK.

Your guarantee that our products have been tested for ingredients which can potentially cause skin irritation. Tests conducted by an independent third-party laboratory.

The product is only for single-use.
