
Product Main Number 1000024422

Protective sheet, ABENA Protective Sheet, 2 layers, 80x170cm

- ✓ High absorbency
- ✓ Peace of mind and protection around the clock
- ✓ Soft, comfortable material

Product Description

ABENA Protective Sheet is used primarily for bed and couch protection to ensure user's peace of mind in any situation. The single-use sheet has an absorbent surface and a waterproof backsheet, which, combined with the sealed sides, allows to provide optimum leakage protection. In addition to helping provide peace of mind when sitting or lying down, the use of protective sheets also helps reduce the risk of contamination. At the same time, the sheet ensures increased hygiene. ABENA Protective Sheets are available in different sizes.

Specifications

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. FSC™ Mix means the product consists of a blend of FSC certified wood and recycled materials. For more information, go to www.fsc.org.

Regulation (EU) 2017/745 is a regulation of the European Union on the clinical investigation and sale of medical devices for human use. It repeals Directive 93/42/EEC, which concerns medical devices, and Directive 90/385/EEC, which concerns active implantable medical devices, on 26 May 2021.

The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products and medical equipment.

The UKCA mark guarantees that a product is safe to use and complies with all safety precautions in line with product standards and legislation of the UK.

Your guarantee that our products have been tested for ingredients which can potentially cause skin irritation. Tests conducted by an independent third-party laboratory.

Barriers lengthwise of the product can help reduce incontinence related leakages onto beds and other furniture or surfaces.

The product is only for single-use.
