- ✓ Odor control and discreet design
- ✓ Top quality performance
- ✓ Designed to minimize the risks of allergy and nappy rash
- ✓ Dermatologically tested and recommended by Asthma Allergy Nordic
- ✓ FSC™-certified and Nordic Swan Ecolabeled

Product Description

Bambo Dreamy Night Pants are designed to provide comfy, highly absorbent protection for children who experience bedwetting. Featuring a super-absorbent core with channel technology and double leakage barriers, the night pants help keep your child feeling dry and comfortable throughout the night. The soft, breathable materials and flexible fit ensure comfort and freedom of movement, while the discreet Nordic design makes them look and feel almost like real underwear. This makes them suitable for both home use and sleepovers. Bambo Dreamy Night Pants are dermatologically tested and certified by trusted third-party ecolabel. They are designed to help minimize the risk of skin irritation and diaper rash while delivering reliable nighttime performance. With Bambo Dreamy Night Pants, bedwetting does not have to stand in the way of a comfortable and confident night's sleep. The packaging on Bambo Dreamy Night Pants consists of 30% post-consumer recycled plastic. The recycled materials originate from consumer household plastic waste, which is carefully cleaned and sorted by grade. The packaging should be recycled with other plastic waste.

The Swan label, also known as the Nordic Swan Ecolabel, is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material production, use, documentation and safety.

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. FSC™ Mix means the product consists of a blend of FSC certified wood and recycled materials. For more information, go to www.fsc.org.

Regulation (EU) 2017/745 is a regulation of the European Union on the clinical investigation and sale of medical devices for human use. It repeals Directive 93/42/EEC, which concerns medical devices, and Directive 90/385/EEC, which concerns active implantable medical devices, on 26 May 2021.

The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products and medical equipment.

Asthma Allergy Nordic guarantees that the products have been assessed by experts from Asthma-Allergy Nordic. Products with the label do not contain perfume, and they pose a minimal risk of skin allergy.

Products with the Vegan symbol do not contain animal substances.

OEKO-TEX, also known as "Confidence in Textiles", is a health and environmental label used throughout the world. The certificate ensures that textiles do not contain substances that are harmful to health or the environment.

Your guarantee that our products have been tested for ingredients which can potentially cause skin irritation. Tests conducted by an independent third-party laboratory.

Effective leakage barriers, both visible and invisible and latex-free elastics ensure a snug fit, which reduces the risk of leakages.

The bag with this symbol is made with at least 60% PCR-plastic materials (post-consumer recycled), previously used by consumers. This allows us to reduce our plastic waste and to help take care of the environment.

The product is fully breathable for the comfort of the user; also during long-time use. Helps maintain skin integrity.
