Features	7 oz
Material	Paper
Height	9 cm
Diameter	7 cm
Weight, net	4.4 g
Weight, gross	4.4 g
Volume, Net	20 cl
Volume, gross	21 cl
Thickness	223 g/m2
Certificates	Food contact materials. PEFC.
Other documentation	BfRXXXVI
Directives, regulations and acts	(EU) No 10/2011, (EC) No 1935/2004, (EC) No 2023/2006, (EU) No 995/2010, BEK nr 681 af 25/05/2020
Safety Instructions And Warnings	The organic components in the barrier are part of the wet-end stages of the manufacturing processes, which means that the cup is not sealed in the conventional way whereby the plastic is heated to melting point and then cooled so as to seal the cup seams. This means that up to 1% of the cups may leak a few drops of their contents within the standard use-time. We are working continuously with our supplier to reduce this proportion to a minimum.
Storage Instructions	Store clean and dry.
Application temperature	0°C - 100°C
Product Disposal Instructions	Can be disposed of with normal household waste sorted according to local regulations.
Packaging Disposal Instructions	Can be recycled or incinerated.
