ABENA Puri-Line

Washing powder, ABENA Puri-Line, Coloured and white, without colourants and fragrance, 1.65 kg

Product Description

Efficient laundry detergent for coloured and white textiles. The washing powder contains enzymes that effectively break down proteins, starches and lipids that are often found in food stains, sweat and similar stains. The washing powder is developed with a high content of active detergent ingredients that effectively remove lipids and particulate dirt. Our detergent is suitable for both machine and hand wash. Does not contain perfume. The best results are achieved at 30°C or above.

Specifications

Base name	Washing powder
Brand	ABENA
Sub-Brand	Puri-Line
Features	Coloured and white, without colourants and fragrance
pH value (conc.)	10,2 - 10,7
Weight, net	1.65 kg
Certificates	Asthma Allergy Nordic. Nordic Swan Ecolabel.
Directives, regulations and acts	(EC) 1272/2008
Dosage Instructions	4-5 kg of fabric with soft water (<8°dH) = 40-68 ml depending on the level of soiling. 4-5 kg of fabric at medium-hard water (8-14°dH) = 60-80 ml depending on the level of soiling. 4-5 kg of fabric in hard water (>14°dH) = 68-90 ml depending on the level of soiling. Use a tablespoon or measuring cup to dose the correct amount of powder. A normal tablespoon is equivalent to 15 ml of washing powder.
Product Disposal Instructions	Can be disposed of with normal household waste sorted according to local regulations.

Instructions for use/application

Preferably wash with a full load. Dose correctly in relation to soiling and water hardness. Always wear gloves when hand washing. Overdosing does not make the laundry cleaner and is harmful to the environment. Lower the temperature during normal wash cycles to protect the environment. Do not use for washing wool and silk
