ABENA Puri-Line

Washing powder, ABENA Puri-Line, 1.65 kg

- ✓ Reduced risk of allergy issues
- ✓ Gentle
- ✓ Effective from 30°C
- ✓ Eco-labelled

Product Description

Effective laundry for coloured fabrics. The washing powder contains enzymes that effectively break down proteins, starch and fat which are often found in food stains, sweat and similar stains. The washing powder has a high content of active detergent agents that effectively remove grease and particulate dirt. Our detergent is suitable for both washing machines and hand washing. Fragrance-free. The best effect is achieved from 30°C.

Packaging Disposal Instructions	Can be disposed of with normal household waste sorted according to local regulations.

Instructions for use/application

Ideally, wash with a full machine. Dose correctly in relation to soiling and water hardness. Always use gloves when washing by hand. Overdosing does not make the laundry cleaner and is harmful to the environment. Lower the temperature for normal wash programs to protect the environment. Do not use to wash wool and silk.
