

Product Main Number 1000032995

ABENA®

Bib, ABENA, 2 layers, 70x37cm, white, paper/PE, with tape, single use

- ✓ Waterproof
- ✓ With reversible pocket
- ✓ With tape application
- ✓ Hygienic

Product Description

Disposable adult bib. Used to minimise the risk of contamination for the healthcare staff and user by absorbing body fluids, food and liquid. The bib features self-adhesive tape fastening and a reversible pocket. The reversible pocket ensures it stays open to catch any food and liquid. The self-adhesive tape fastening ensures quick, easy and flexible application. Ideal for bedridden patients and allows eye contact to be maintained during application. The absorbent surface and waterproof back sheet keep clothing underneath clean and dry.

Specifications

Base name	Bib
Brand	ABENA
Colour	White
Properties	With tape
Features	Non-sterile, recycled fibres, glue lamination
Single or multiple use	Single use
Material	PE, paper
Length/depth	70 cm

Regulation (EU) 2017/745 is a regulation of the European Union on the clinical investigation and sale of medical devices for human use. It repeals Directive 93/42/EEC, which concerns medical devices, and Directive 90/385/EEC, which concerns active implantable medical devices, on 26 May 2021.

The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products and medical equipment.

The UKCA mark guarantees that a product is safe to use and complies with all safety precautions in line with product standards and legislation of the UK.

The product does not contain latex.

The product is only for single-use.

The product is with a pocket.

The product is designed with tape strips to ensure the underpad stays in place when the user moves around.
