Product Description

ABENA's Repair Cream is a multifunctional balm made from 100% natural lanolin, which is specially developed for sore, cracked nipples. However, it can also be used for skin abrasions, baby rashes, dry lips, and dry, broken, and damaged skin. This lanolin cream is suitable for all ages and skin types. The cream treats and prevents dry nipples during pregnancy and breastfeeding. Thanks to its natural ingredient, the product is safe for both mother and child and does not need to be removed prior to breastfeeding. ABENA's Repair Cream can also be used for a wide range of other needs as it moisturises and regenerates the skin and creates a barrier that protects the skin from becoming dehydrated.
