Dishwashing brush, Ena Living, 23x3.5cm, nature, beech wood/sisal

- ✓ Scandinavian design
- ✓ Oiled surface
- ✓ FSC®-certified wood

Product Description

Dish washing brush from ENA Living, made of beech wood, with stiff sisal bristles. The brush has a nice, oiled surface and a practical long handle. It is particularly suitable for heavy duty dishwashing, for instance pots and pans that have been left soaking a little while. We recommend that the handle is treated with oil to retain its softness.
