The Swan label, also known as the Nordic Swan Ecolabel, is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material production, use, documentation and safety.

POGI (Partnership for Public Green Procurement) is a community of municipalities, regions and public organizations. The purpose is to make it easier for the public sector to buy environmentally-friendly products.

The glass fork symbol guarantees that products have been tested in accordance with European legislation and approved for food contact. The symbol is mandatory on products used for food contact.
