

Product Main Number 168053

### Scouring fibre, 22.5x15x0.8cm, black, nylon/polyester, rough scouring effect

- ✓ Coarse scouring effect
- ✓ Gets around all corners and edges easily
- ✓ Perfect complement to cleaning machines
- ✓ Ideal for both small and large areas

#### Product Description

Our efficient scouring fibre is used for scrubbing floors and other hard surfaces as well as to remove limescale deposits on tiles. The scourer is pliable and flexible, which means it can get into all the nooks and crannies where machines have to give up. Therefore, the scouring fibre can be used on large surfaces as a supplement to machinery.

#### Specifications

|                                  |   |
|----------------------------------|---|
| Base name                        | Scouring fibre  |
| Colour                           | Black   |
| Features                         | Rough scouring effect   |
| Material                         | Nylon, polyester  |
| Length/depth                     | 22.5 cm   |
| Width                            | 15 cm   |
| Height                           | 0.8 cm  |
