- ✓ Dishwashersafe
- ✓ Microwavesafe
- ✓ Reusable and unbreakable plates
- ✓ The ideal solution for everyday use and all kinds of events

Product Description

Sturdy and convenient reusable plates made from PP and in a quality that makes them dishwasher and microwave safe. Also, PP is 100% recyclable if disposed of correctly and responsibly. The plates are unbreakable and have been tested and passed 125 washing cycles in accordance with the test standard EN 12875-1:2005. Tested with both domestic dishwashing machines and commercial dishwashing machines with hot rinse temperature on 81°C. For this reason alone, we dare claim that our plates are the ideal solution that fits any type of event, whether it's a private garden party or a large, professional setup.
