Product Main Number 1999905382

Shaped pad, ABENA Light Premium, Ultra Mini 0, pink colour code, with silicone paper

- ✓ Top-Dry Technology for dry surface
- ✓ 100 % breathability supporting healthy skin balance
- ✓ Anatomically shaped for better fit
- ✓ Odour Control

Product Description

ABENA Light is our premium range of anatomically shaped pads with self-adhesive tape developed for light to moderate incontinence. The efficient core with Top-Dry Technology provides fast absorption and a dry surface, even after multiple voids, supporting an optimal skin balance and an increased comfort. The fully breathable products are either fitted with horizontal leakage barriers or have a foam edge and/or shape that protects against leakages. The Odour Control system minimises the risk of unpleasant odours. The Dermatologically tested products carry the Nordic Swan Ecolabel and are made from PEFC-certified materials.

Specifications

The Swan label, also known as the Nordic Swan Ecolabel, is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material production, use, documentation and safety.

Regulation (EU) 2017/745 is a regulation of the European Union on the clinical investigation and sale of medical devices for human use. It repeals Directive 93/42/EEC, which concerns medical devices, and Directive 90/385/EEC, which concerns active implantable medical devices, on 26 May 2021.

The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products and medical equipment.

PEFC™ (Program for the Endorsement of Forest Certification) is a non-profit organization that promotes sustainable forest management. PEFC™ is the forest owners' own organization, and its purpose is to help manufacturers and consumers choose sustainable wood.

The UKCA mark guarantees that a product is safe to use and complies with all safety precautions in line with product standards and legislation of the UK.

Your guarantee that our products have been tested for ingredients which can potentially cause skin irritation. Tests conducted by an independent third-party laboratory.

Odor control is a critical factor in ensuring discreteness for the user. ABENA's incontinence products are designed and engineered to ensure that minimal Odor arises from the product.

The product is fully breathable for the comfort of the user; also during long-time use. Helps maintain skin integrity.

Unique Top-Dry Technology that provides a rapid absorption and ensures a dry surface even after multiple voids.

The product does not contain latex.

Drop system indicating absorption. The more drops, the higher the absorption. Ranges from 1 to 9 drops.
