- ✓ Discreet and comfortable to wear
- ✓ 100% breathability supporting healthy skin and optimum comfort
- ✓ Shaped and developed particularly for the male anatomy
- ✓ Protects against leakage and unpleasant smells

MD CE UKCA

Product Description

ABENA Man Zero is a shield specifically developed for men to provide discreet security for light incontinence. The curved anatomic shape follows the male anatomy and offers an excellent fit that allows for free movement. The breathable product helps ensure skin integrity and optimal skin care by keeping the exposed area comfortable and dry. The Odour Control system minimises unpleasant smells.

ODOR CONTROL · 100% BREATHABLE MATERIAL · LATEX

Regulation (EU) 2017/745 is a regulation of the European Union on the clinical investigation and sale of medical devices for human use. It repeals Directive 93/42/EEC, which concerns medical devices, and Directive 90/385/EEC, which concerns active implantable medical devices, on 26 May 2021.

The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products and medical equipment.

The UKCA mark guarantees that a product is safe to use and complies with all safety precautions in line with product standards and legislation of the UK.

Odor control is a critical factor in ensuring discreteness for the user. ABENA's incontinence products are designed and engineered to ensure that minimal Odor arises from the product.

The product is fully breathable for the comfort of the user; also during long-time use. Helps maintain skin integrity.

The product does not contain latex.

Drop system indicating absorption. The more drops, the higher the absorption. Ranges from 1 to 9 drops.
