

Product Main Number | 1999905767

Container, ABENA Gastro, 11.3cm, Ø11.5cm, 750 ml, 750 ml, brown, kraft/PE, 750 ml, 24 oz

- ✓ Perfect for serving soups and other hot dishes
- ✓ Safe transport
- ✓ Tight-fitting lid with vent holes

Product Description

Our to-go container in durable paperboard is particularly suitable for transporting and serving hot dishes, not least soup. The accompanying cardboard lid has small vent holes that ensure that the steam can escape, while the lid closes tightly and keeps the contents protected.

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. FSC™ Mix means the product consists of a blend of FSC certified wood and recycled materials. For more information, go to www.fsc.org.

The glass fork symbol guarantees that products have been tested in accordance with European legislation and approved for food contact. The symbol is mandatory on products used for food contact.

The product is made of cardboard.

The product is coated with a LDPE layer (low density PE).

Can be custom printed.
