## Zinc Paste, ABENA, 60 ml, no perfume, 40% zinc oxide

- ✓ Unique paste with 40% zinc oxide
- ✓ Provides the necessary moisture
- ✓ Contains allantoin

### Product Description

ABENA's Zinc Paste, with 40% zinc oxide, creates a white repellant barrier against irritants, such as urine or feces. The high zinc oxide content seals out moisture and has a high absorbency, which can help keep the skin dry and hygienic. The thick and rich zinc paste has a smooth texture that makes it easy to apply on irritated areas and is long-lasting. It is recommended especially for bedridden and incontinent people whose skin needs gentle care since it soothes irritated skin.
