- ✓ Comfort: breathable soft material with legs
- ✓ No seams, preventing pressure marks and skin irritation
- ✓ Leakage prevention provided by elastic knitted construction and fixation zones
- ✓ Underwear-like look for discretion
- ✓ Broad range (S-6XL)
- ✓ Colour codes for easy product recognition, washing instructions and material composition

Product Description

ABENA Fix Pants Super are stretchy fixation pants with legs made of breathable, soft material designed to fit the anatomic shape of the body. The pants look and feel like normal underwear. The elastic material and knitted construction hold the pads tight to the body to prevent leakages. It offers optimal performance for all activity and mobility levels. The seamless knitted technology – an innovative concept for producing clothing almost free of seams – prevents pressure marks and skin irritation. The product can be washed up to 100 times, which ensures high cost-effectiveness and long life. ABENA Fix Pants Super offer easy product recognition thanks to the colour code both on the packaging and on the inside of the waistband, providing information about product name, size, washing instructions and material composition. Made of 97% polyester and 3% elastane.

Regulation (EU) 2017/745 is a regulation of the European Union on the clinical investigation and sale of medical devices for human use. It repeals Directive 93/42/EEC, which concerns medical devices, and Directive 90/385/EEC, which concerns active implantable medical devices, on 26 May 2021.

The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products and medical equipment.

The UKCA mark guarantees that a product is safe to use and complies with all safety precautions in line with product standards and legislation of the UK.

OEKO-TEX, also known as "Confidence in Textiles", is a health and environmental label used throughout the world. The certificate ensures that textiles do not contain substances that are harmful to health or the environment.

The product does not contain latex.

The product can be washed at 60 degrees or below.

Do not bleach the product.

The product can be dried in the tumble dryer at low temperatures.

Do not iron the product.

Do not dry clean the product.

The product can be washed up to 100 times.

Seamless design for extra comfort and flexibility. No side seams means less irritation and more durability.

Designed to follow the body's contours, ensuring a secure, comfortable fit that stays in place.
