Classic

Bib, ABENA Classic, 2 layers, 70x38cm, white, PE/tissue, with tape, single use

- ✓ Waterproof
- ✓ With reversible pocket
- ✓ With tape fastening
- ✓ Hygienic

Product Description

Disposable adult bib. Used to minimise the risk of cross-contamination for healthcare staff and the user by absorbing body fluids and food. The bib comes with self-adhesive tape fastening and a reversible pocket. This ensures that the pocket remains open to catch food and liquids and prevents spills. The self-adhesive tape fastening allows more flexible positioning of the bib. Ideal for bedridden users and for maintaining eye contact during application. The absorbent surface and waterproof backsheet ensure that the clothes underneath stay dry and clean.

Specifications

Base name	Bib
Brand	ABENA
Sub-Brand	Classic
Colour	White
Properties	With tape
Features	Blue backsheet
Single or multiple use	Single use
Material	PE, tissue
Ingredient list	Tissue 20 g/m ² , PE 12 my
Length/depth	70 cm
Width	38 cm
Layer quantity	2 layers
Certificates	CE. MD. UKCA.

Regulation (EU) 2017/745 is a regulation of the European Union on the clinical investigation and sale of medical devices for human use. It repeals Directive 93/42/EEC, which concerns medical devices, and Directive 90/385/EEC, which concerns active implantable medical devices, on 26 May 2021.

The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products and medical equipment.

The UKCA mark guarantees that a product is safe to use and complies with all safety precautions in line with product standards and legislation of the UK.

The product is designed with tape strips to ensure the underpad stays in place when the user moves around.

The product is with a pocket.

The product is only for single-use.
