

Product Main Number 1999914401

Underpad, ABENA Underpads Basic, 60x60cm

- ✓ Absorbent fluff core
- ✓ Soft nonwoven surface
- ✓ Embossing for quick absorption
- ✓ Liquid safe back sheet and sealed edges for extra protection
- ✓ Available in different sizes

Product Description

ABENA Underpads Basic is used as a protective, disposable underpad for e.g. beds and chairs. Suitable for incontinent users, but also for non-sterile procedures. The underpad has sealed edges for optimum leakage protection. The surface is covered with a soft nonwoven material for enhanced user comfort. The use of this disposable underpad reduces the risk of contamination. ABENA Underpads Basic offers light absorbency and is available in different sizes.

Specifications

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. FSC™ Mix means the product consists of a blend of FSC certified wood and recycled materials. For more information, go to www.fsc.org.

Regulation (EU) 2017/745 is a regulation of the European Union on the clinical investigation and sale of medical devices for human use. It repeals Directive 93/42/EEC, which concerns medical devices, and Directive 90/385/EEC, which concerns active implantable medical devices, on 26 May 2021.

The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products and medical equipment.

The UKCA mark guarantees that a product is safe to use and complies with all safety precautions in line with product standards and legislation of the UK.

Your guarantee that our products have been tested for ingredients which can potentially cause skin irritation. Tests conducted by an independent third-party laboratory.

Raw material that absorbs its own weight 10 times and has excellent fluid dispersion capabilities.

The product is only for single-use.

Liquid-safe backsheet for added leakage protection.
