
Product Main Number 220955

Fixation tape, ABENA, 10m x 2.5cm, white, elastic, non-sterile

- ✓ Flexible
- ✓ Air and moisture permeable
- ✓ Skin-friendly adhesive
- ✓ Latex-free

MD CE UKCA

Product Description

fixation tape is flexible and shapes itself to the body's contours. Permeable to air and moisture, which prevents maceration. Skin-friendly adhesive, which also provides a secure fix at the same time. Fitted with a wavy, perforated backing, which facilitates handling. Can be cut into suitable lengths. Used for fixation of bandages, catheters, tubes, etc.

Regulation (EU) 2017/745 is a regulation of the European Union on the clinical investigation and sale of medical devices for human use. It repeals Directive 93/42/EEC, which concerns medical devices, and Directive 90/385/EEC, which concerns active implantable medical devices, on 26 May 2021.

The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products and medical equipment.

The UKCA mark guarantees that a product is safe to use and complies with all safety precautions in line with product standards and legislation of the UK.

The product does not contain latex.
