CE

Product Description

Delta-Form is our range of all-in one briefs for moderate to heavy incontinence. The anatomically shaped briefs has breathable nonwoven side panels and curved leg elastics for extra comfort and a great fit. All products are fitted with leakage barriers for extra protection and the odor system minimises unpleasant smells. The high quality tapes ensures an optimum fit and easy repositioning.

CE The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products and medical equipment.

The product is equipped with a 360 degree barrier to prevent leakage.

ABENA's incontinence products are designed and engineered to ensure minimal odor arises from the product. Odor control is a critical factor in ensuring discreteness for the user.

The product does not contain latex.
