**BAMBO**  
Nature

### Childrens' nappy, pants, Bambo Nature Pants, Junior 5, with print, 12-20 kg

- ✓ Unique fit
- ✓ High absorption
- ✓ Super soft materials

### Product Description

Bambo Nature Pants offer the best product features on the market. Extra soft textiles, perfect custom fit, thinner, lighter and more breathable with a superb high absorption capacity. Bambo Nature is designed for parents who not prepared to compromise with either the environment, quality or your child's health. These are among the world's best nappies, and provide optimum comfort, freedom of movement and dryness. All the pants are Swan and FSC-labelled, as well as dermatologically tested. This ensures that particular attention is paid to both the environment and the delicate skin of your child. Made of sustainable raw materials and with no harmful chemicals added in the production process.

The Swan label, also known as the Nordic Swan Ecolabel, is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material production, use, documentation and safety.

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. For more information, go to [www.fsc.org](http://www.fsc.org).

Regulation (EU) 2017/745 is a regulation of the European Union on the clinical investigation and sale of medical devices for human use. It repeals Directive 93/42/EEC, which concerns medical devices, and Directive 90/385/EEC, which concerns active implantable medical devices, on 26 May 2021.

The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products and medical equipment.

The product is breathable.

The Dermatologically Tested symbol guarantees that products have been tested for potential skin irritations by an independent third-party laboratory.

Unique TopDry system that provides a rapid absorption and a dry surface.

The product is very flexible for excellent comfort and fit.

The product is thin and has a perfect fit.

The product has a very soft surface for a more comfortable fit.
