## Childrens nappy, pants, Bambo Nature Pants, XL 6, 18+ kg

- ✓ Top quality performance
- ✓ Super soft materials
- ✓ Gentle to skin and nature

### Product Description

The Bambo Nature Pants offers the best product features on the market. Extra soft textiles, perfectly custom fit, thinner, lighter and more breathable with a superb high absorption capacity. Bambo Nature is designed for you who don't compromise with either the environment, nor the quality or your child's health. The nappys are among the world's best and provide optimum comfort, freedom of movement and dryness. At the same time, all the pants are swan, asthma-allergy and FSC-labeled as well as dermatologically tested. This ensures that particular attention is paid to both the environment and the delicate skin of your child. The nappys are made of sustainable raw materials and there are not added any harmful chemicals in the production process.

The Swan label, also known as the Nordic Swan Ecolabel, is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material production, use, documentation and safety.

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. For more information, go to [www.fsc.org](http://www.fsc.org).

Asthma-Allergy Denmark guarantees that products are approved by experts from Asthma-Allergy Denmark. Products with the label do not contain perfume and dyes, and they pose a minimal risk of skin allergy development.
