**ABRI-FIX**  
Leaf super

### Fixation pants, ABENA Abri-Fix Leaf Super, L, white, without legs, grey text in waist

- ✓ **Comfort:** breathable soft polyamide material without legs
- ✓ **No seams** preventing pressure marks and skin irritation
- ✓ **Leakage security** provided by elastic knitting construction and fixation zones
- ✓ **Underwear-like look** for discretion
- ✓ **Easy product identification** with colour coding, washing instruction and material composition
- ✓ **Cost-in-use:** high cost effectiveness through a longer usage

### Product Description

Abri-Fix Leaf is an elastic fixation pant without legs made of breathable, soft polyamide material featuring stabilising zones. The pants look like normal underwear. The elastic material and knitting construction holds both small and large pads tight to the body ensuring leakage security. The seamless knitting technology – an innovative concept in producing clothing almost free of seams - prevents pressure marks and skin irritation. The products can be washed 100 times, therefore have a high cost effectiveness through a longer usage. Abri-Fix Leaf has grey, washing instructions and material composition sewn in the waist-band. The products are colour-coded on the bags for easy product identification. 97% polyamide, 3% elastane

### Specifications
