- ✓ The tight-fitting lid provides good hygiene and safe transportation

### Product Description

ABENA's smart drinking glasses are the ideal choice for serving slush ice, smoothies, iced coffee and other cold drinks. The plastic glasses are available in several sizes. Combine the drinking glass with our convenient lids and avoid spilling the contents. We offer different models, both with dome or flat lids, and with or without straw hole. In other words, there's something for everyone and definitely a model that suits your needs.
