

Product Main Number 6105

ABENA Care.NESS

## Paper towel sheets, ABENA Care-Ness Excellent, 2 layers, C-fold, 31x23cm, 9 cm, white, virgin fiber

- ✓ Maximum absorbency
- ✓ Hygienic alternative to cloth towels and hot-air hand dryers
- ✓ Reduced consumption thanks to one-sheet-at-a-time folding method
- ✓ Smart packaging with easy top opening

### Product Description

Our paper towel sheets represent a hygienic alternative to cloth towels and hot-air hand dryers. The paper towels are made from virgin fibre, which combines with the smooth surface and unique embossing to provide a product with maximum absorbency, while reducing consumption. The ingenious one-sheet-at-a-time folding method also helps reduce consumption and improve hygiene, as only touching the towel sheet you yourself use means you do not spread bacteria.

### Specifications

Base name	Paper towel sheets
Brand	ABENA
Sub-Brand	Care-Ness Excellent
Colour	White
Material	Virgin fiber
Length/depth	31 cm
Width	23 cm
Thickness	2x25 g/m2

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. FSC™ Mix means the product consists of a blend of FSC certified wood and recycled materials. For more information, go to [www.fsc.org](http://www.fsc.org).

The glass fork symbol guarantees that products have been tested in accordance with European legislation and approved for food contact. The symbol is mandatory on products used for food contact.

The EU Ecolabel, also known as the EU Flower, is the official environmental label in Europe. Products with the EU Ecolabel meet stringent environmental requirements with regard to raw material production, use, documentation and safety.
