

Product Main Number 6210

ABENA® Care-Ness

Facial tissues, ABENA Care-Ness Excellent, 2 layers, 20x19.5cm, white, virgin fiber

- ✓ Very soft facial tissues
- ✓ Practical box that only dispenses one tissue at a time
- ✓ The box does not require a dispenser and can be put straight onto your table, worktop or other surface

Product Description

ABENA's facial tissues are a good choice for anyone looking to pamper the skin of their face with the softest, best quality materials. The tissues come in a practical box with a waste-preventing one-sheet-at-a-time function. The tissue box features an attractive decorative design and does not require a dispenser.

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. For more information, go to www.fsc.org.

POGI (Partnership for Public Green Procurement) is a community of municipalities, regions and public organizations. The purpose is to make it easier for the public sector to buy environmentally-friendly products.

The EU Ecolabel, also known as the EU Flower, is the official environmental label in Europe. Products with the EU Ecolabel meet stringent environmental requirements with regard to raw material production, use, documentation and safety.
