Product Description

ABENA's Cleansing Foam is mild and soft and has effective cleaning properties for personal hygiene. A good alternative to traditional washing with soap and water. This cleansing foam is particularly suitable for people with delicate skin who need as little friction as possible when washing. The foam is easy to apply and gentle on the skin. The product is ideal when changing incontinence products, as the foam quickly and effectively dissolves feces and removes unpleasant body odors. Excess cleansing foam can be removed with ABENA's disposable wash glove. ABENA's Cleansing Foam contains specifically selected ingredients that protect delicate skin and cares for the skin by providing the necessary moisture. The product can be used by both children and adults. Suitable for daily use.
