Product Description

Abri-Fix Pants Super are stretchy fixation pants with legs made of breathable, soft material designed to the anatomic shape of the body. The pants look and feel like normal underwear. The elastic material and knitted construction holds the pads tight to the body preventing leakages. It offers optimal performance for all activity and mobility levels. The seamless knitted technology – an innovative concept for producing clothing almost free of seams – prevents pressure marks and skin irritation. The product can be washed 100 times, therefore providing high cost-effectiveness through extended use. Abri-Fix Pants Super have colour-coded waistbands showing size with product name, washing instructions and material composition._x000D_ _x000D_ 97% polyester, 3% elastane
